

Study in United Kingdom

(Autumn-2022)

Dear applicant, if you want to make your career in UK then this is the best time to apply for "Study in Sweden" with/without IELTS.

Admissions are available for: May/September, 2022 intake

WHY, STUDY IN UK:

- **Easy to apply for admission:** International students can apply submit their admission applications to their desired university/program through an online application system.
- **IELST Exemption:** Applicants having 4 years Bachelor of Honors Degree (16 Years) in the field of Engineering, Computer science, Business and any science subject (Physics, Math, Chemistry etc.) are exempted from IELTS.
- **English taught courses/programs:** Universities in UK are conducting variety of English taught short term foundation courses(30 credits) and long term Bachelor/Master degree programs for International students.
- **No age limit-Study gap is acceptable:** UK universities do not consider study gap or applicants' age. Applicants of any age are welcome to study in UK.
- **Working rights and Post studies settlement:** International students (full time applicants)

are allowed to do full time job to earn their living expenses. Besides part time job, students can apply for Work permit/TRP after successfully completing their degree program.

- **Get temporary resident permit (90% success ratio):** Applicants enrolled to any course or degree program are awarded with Temporary resident permit (TRP).
- **Spouse/dependents' Visa can be applied with main applicant:** Main applicant's family (spouse and children) can apply for their temporary resident permit too.

**Universit
Hertford**

Undergraduates:

- Accounting and Finance
- Aero Scope Engineering
- Animation, film and Digital
- Architecture
- Art, Design And Fashion
- Automotive Engineering
- Biological Sciences
- Business and Management
- Civil Engineering
- Computer Science, Artificial Intelligence and Robotics
- Education and Teaching
- Electrical and Electronic Engineering
- English Languages, Linguistics and Foreign Languages
- Event Management and Tourism
- Geographic and Environment
- Health Profession and Social Work
- History, English Literature and Creative Writing
- Journalism, Media and Communication
- Law and Criminology
- Marketing, Communications and Advertising
- Mathematics and Physics
- Mechanical Engineering
- Music, Performance and Production
- Nursing and Midwifery
- Philosophy, Politics and Economics
- Psychology
- Sport

Postgraduates:

- Hertfordshire Business School
- Hertfordshire Law School
- School of Creative arts
- School of education
- School of Health and Social Work
- School of Humanities
- School of Life and Medical Sciences
- School of Physics, Engineering and Computer Science

**University of
Sunderland**
