IELTS/ENGLISH LANGUAGE REQUIREMENTS

SCIENCE GRADUATES:

Science, Technology, Engineering and Mathematics (STEM) graduates (16 years of education) are exempted from IELTS. They can apply for Master Degree program **without IELTS.**

Special note: Graduates having degree from FUUAST (Federal Urdu University of Arts, Science and Technology) are not exempted from IELTS and must have IELTS 6.5 to apply for Master Degree program.

BUSINESS, IT and ARTS GRADUATES:

For Business-IT and ARTS graduates, Swedish universities follow "world higher education database" (WHED) directory to exempt IELTS. Medium of instruction of last university/college must be English only as per WHED directory to get IELTS exemption. If medium of instruction is shown as "English and Urdu" than applicant must have IELTS (or other approved English certificate) to qualify for the admission.

- For Short course of 6 months: **IELTS 5.5 overall (not less than 5 in any module)**
- For Master degree program: **IELTS 6.5 overall (not less than 5.5 in any module)**

Please visit given website (www.studyabroadconsultants.pk) to check the medium of instruction of your previous institute.

UNDERGRADUATES:

Undergraduate applicants (Intermediate, DAE, BA, B.com etc.) must have IELTS score (or other approved English certificate) to qualify for the admission.

- For Short course of 6 months: **IELTS 5.5 overall (not less than 5 in any module)**
- For bachelor degree program: **IELTS 6.5 overall (not less than 5.5 in any module)**
