## Why TUMS? A Choice to Success in Medical Career!

Tehran University of Medical Sciences is ranked among the top 601–800 universities in the world according to the Times Higher Education World University Rankings 2024. The TUMS has also achieved the top rank addressing the "Good Health and Well-being" and placed 6th in terms of the "Quality Education" indicator in the THE Impact Rankings 2022.

TUMS is the oldest and most well-known medical center in Iran, nationally as well as internationally. TUMS, as one of the country's top research universities, accepts applications from the most qualified students. It also has the largest schools of medicine, dentistry, pharmacy, rehabilitation, allied medical sciences, public health, advanced technologies in medicine, nutritional sciences and dietetics, and nursing and midwifery in Iran as well as a virtual school. Over a hundred specialized research centers such as Science and Technology in Medicine, Rheumatology, Auditory, Digestive Disease, Skin Diseases and Leprosy, Trauma, Hematology and Oncology, Cardiovascular Diseases, Endocrinology and Metabolism, Reproductive Health, Urology, Immunology, and Asthma and Allergy are under the immediate supervision of this university.

Graduated students from the Tehran University of Medical Sciences are eligible to take medical licensing exams of the USA, and UK. IRELAND, USMLE, HPCSA, SCHS, CANADA, AUSTRALIA, PAKISTAN and MIDDLE EAST. Inheriting the history and creating the future. All teachers and students will always adhere to the motto of "inquisitive, practical, benevolent and compassionate" and the school spirit of "united, rigorous, realistic and innovative", we will pay more attention to the quality of the university as the core and strive for the great goal of an advanced and internationally famous medical university in the future.

SCHOOL OF DENTISTRY

## Special Notes:

1. Your academic documents (official transcripts, degrees and diplomas) should be verified by the Ministry of Education of the country where you attended school and officially translated to English. These documents should also be attested by the Embassy of the I.R. of Iran in your country of residence, where you will be seeking a student visa to Iran. They should also be presented in original to the Education Department at TUMS at the time of registration.
2. If the official language for your last degree is not in English, an IELTS score 5.5 or its equivalent in TOEFL will be required, otherwise you must participate in Language Learning Courses (Persian & English)
3. All Student should present English Language Certificate (IELTS) and Persian Language Certificate (SAMFA) in the first year of their study.
4. The full tuition fee should be received by the University within 10 days from the date this acceptance letter is issued. Registration priority will be given to students whose tuition fee is received promptly; i.e., if the deposit is not received within the abovementioned timeframe, TUMS will rescind the acceptance and offer the applicant's seat to the first qualified candidate on the waiting list. Please note that registration for courses will take place after tuition fees for each semester have been received in full and the registration forms received. In case the applicant declines the offer of admission after registration has been completed, the tuition fee for that semester will not be refunded.
5. Completion of registration is subject to submission of Letter of Commitment.
6. The student will follow the rules & regulations & teaching pattern of University, Iran Government & PMDC.
7. Air ticket, stationary and food expenses are not included in the fee package.
8. All fee once paid is non-refundable and non-transferable.
